Position Objectives

The Multi Skilled Plant Operator is responsible for performing maintenance work and all types of civil construction to a high standard. The position works as part of road maintenance or construction crews, completes scheduled works on time and operates plant to the level of their skills, training, and licencing requirements. The position is flexible and adaptable to provide labour on projects as required.

Key Responsibilities

- Operate assigned plant to complete assigned tasks on time and to the required standard and perform all work activities in a safe and healthy manner.
- Undertake daily maintenance of assigned plant and work cooperatively with mechanical service personnel in the repair and maintenance of assigned plant, including recording of pre-start inspections.
- Operate a range of plant to complete assigned tasks, including but not limited to:
 - Powered vibrating road roller over 4 tonnes.
 - Pneumatic tyred powered road roller over 8 tonnes.
 - Front-end or overhead loader up to 2.25 cubic metre capacity.
- Undertake all maintenance and construction tasks as directed, associated with Council's infrastructure and facilities including maintenance and construction of assets.
- Communicate clearly with other Council teams and community stakeholders and always represent Council positively and professionally.
- Complete all relevant safety documents as required, including but not limited to: SWMS, SOP's, Risk Assessments, JSA's, Take 5's and Hazard Inspections.
- Provide high quality works that conform to required specifications and/or works practices.
- Follow all procedures and safe work methods relating to work being undertaken.

- Be committed to working with site supervisors to achieve high quality work within budgetary and time constraints as outlined in the agreed program of works.
- Actively participate in identifying, recommending, developing and implementing measures through which allocated tasks and responsibilities may be carried out more effectively and efficiently.
- Undertake a range of tasks, as needed on the work site, including labouring when there is machine downtime, within the scope of the position, consistent with skills, competence and training.

Qualifications, Skills and Experience

Essential

- ‘MR’ Class Queensland Drivers Licence or higher.
- Hold or have the ability to obtain a range of plant competencies including, but not limited to: Backhoe, Front End Loader, Skid Steer, Roller, Excavator.
- Construction Safety Induction Card (White Card).
- Pre-Employment Health Assessment and National Police Check prior to appointment.

- Demonstrated experience operating and maintaining a wide range of plant and equipment and be capable of carrying out the physical requirements of this position, including manual labouring as required.
- Flexibility to work hours as operationally required to complete works and the ability to work with minimal supervision when necessary.
- Ability to communicate effectively in order to understand, follow and execute verbal and written instructions.
- Basic literacy and numeracy skills to ensure an understanding of Council’s policies and procedures and the ability to complete timesheets, job cards and defect reports.
- Ability to camp out (work camp) as required.

Desirable

- Plant competencies and licenses including but not limited to: Grader, Forklift.
- ‘HR’ Class Queensland Drivers Licence.
- Certificate III in Civil Construction or equivalent.
- Traffic Controller accreditation.

Corporate Accountabilities

- Demonstrated commitment to apply and adhere with Council’s Policies and Procedures and Local Government Act 2009, including but not limited to Council’s Code of Conduct, Work Health and Safety Policy and Anti-Discrimination Policy.
- Capable of carrying out the physical and inherent requirements of the position and being flexible and adaptable to meet the requirements of the position.
- Maintain a positive team culture based on honesty, trust and integrity.
- Perform jobs, tasks and processes in accordance with relevant guidelines and standards.
- Maintain confidentiality of Council information obtained during the course of employment.
- Operate and maintain Council assets including equipment, plant and fleet within Council guidelines and manufacturers’ specifications.
- Foster and maintain strong stakeholder relationships directly or indirectly associated with Council.
- Provide consistent and timely customer services to our colleagues and communities.

Work Health and Safety

- Apply Council policies and procedures in everyday work activities to assist Council in ensuring a safe work environment and to meet the standards imposed by any relevant safety legislation as required by Queensland’s Work Health and Safety Act 2011.
- Maintain a positive attitude towards acquiring an understanding of work health and safety (WHS) legislation, including Council WHS policies and procedures and foster and maintain a positive attitude towards WHS within the individual work teams.
