

Position Vacant

Fleet & Workshop Supervisor - Cunnamulla

Reporting directly to the Director of Infrastructure, the Fleet and Workshop Supervisor is responsible for the ongoing professional performance of Council's Fleet, Workshop and associated assets (including personnel) through responsible, resourceful and safe leadership of all resources and operations.

The Fleet and Workshop Supervisor is also responsible for ensuring Council's Fleet (plant and equipment) and Workshop facilities provide a high level of support to the Infrastructure Department and other Council operations, while achieving Council's Fleet utilisation and revenue targets.

All Employees are responsible for delivering consistent service that meets the requirements of Council and our community and reflects the quality of services we aim to deliver.

To Apply for this Role:

- Review the Position Description available at www.paroo.qld.gov.au or collect from the Front Counter at Council's Depot Office
- Provide a 1-2 page cover letter outlining your motivation for applying for this role
- Address each of the criteria under Key Skills, Experience and Qualifications
- Send your response to the criteria plus your resume to hr.manager@paroo.qld.gov.au

For further information relating to this role please contact Council on (07) 4655 8400

Applications close: **COB Monday 10th August 2020**

Sean Rice, A/Chief Executive Officer, Paroo Shire Council
