8.1 Correspondence – Department of Agriculture and Fisheries, Wild Dog Barrier FenceCouncil Meeting: 14th December 2021

Organisation: Department of Agriculture and Fisheries

Author: Tim Farry, A/General Manager, Invasive Plants and Animals

Purpose

The purpose of this document is to provide Council with correspondence received from Tim Farry, acting General Manager of the Department of Agriculture and Fisheries, Invasive Plants and Animals, regarding the Wild Dog Barrier Fence (WDBF).

Recommendation

That Council receive and note the correspondence from the Department of Agriculture and Fisheries.

Discussion

A review of the Wild Dog Barrier Fence (WDBF) is intended to be conducted in the coming months. The intentions of the review are:

- to undertake a collaborative approach between the Local Government Association of Queensland (LGAQ), the Department of Agriculture and Fisheries, relevant local governments, and the Darling Downs-Moreton Rabbit Board.
- to examine the effectiveness and the future role of the WDBF to the extent to which it is delivering benefits, given private and public investment in alternative wild dog fencing and the implications for the appropriateness of the funding arrangements that apply.

PSC has appointed Synergies Consultancy to undertake the review and they are seeking involvement from stakeholders as part of a broad consultation including discussions with service providers.

Dear Mr Rice

I wish to inform you that a review of the Wild Dog Barrier Fence (WDBF) is intended to be conducted in the coming months. The intention of the review is to undertake a collaborative approach between the Local Government Association of Queensland (LGAQ), the Department of Agriculture and Fisheries, relevant local governments, and the Darling Downs-Moreton Rabbit Board.

The review will be overseen by a project steering committee (PSC) who's primary purpose is to ensure that it is delivered in a timely manner, to an acceptable standard and is developed in the context of other relevant State and local government activities, value adding to existing work and avoids unnecessary duplication.

The PSC has convened appointing Synergies consultancy to undertake the review.

The intention of the review is to examine the effectiveness and the future role of the WDBF to the extent to which it is delivering benefits, given private and public investment in alternative wild dog fencing and the implications for the appropriateness of the funding arrangements that apply.

As part of the review the appointed consultants are seeking involvement from stakeholders as part of a broad consultation including discussions with service providers.

Should you have any queries, please contact Mrs Natasha Potztal of the Department of Agriculture and Fisheries on telephone 07 3087 8072 or by email natashia.potztal@daf.qld.gov.au

Yours sincerely

Tim Farry

8.2 Correspondence – Office of Industrial Relations, Special Holiday 2022

Council Meeting: 14th December 2021

Organisation: Office of Industrial Relations

Author: Tony James, Executive Director

Purpose

The purpose of this document is to provide Council with correspondence received from Tony James, Executive Director of the Office of Industrial Relations regarding the appointment of 20th May 2022 as Holiday for Paroo Shire Council for the purpose of the Cunnamulla Show.

Recommendation

That Council receive and note the correspondence from the Office of Industrial Relations allocating the 20th May 2022 as the gazetted Public Holiday supporting the Cunnamulla Show.

Discussion

Pursuant to Section 4 of the *Holidays Act 1983*, the Minister for Education and Minister for Industrial Relations has appointed the 20th May 2022 a holiday for the Shire of Paroo for the purpose of the Cunnamulla Show. Notification of the appointment of the 2022 Special Holidays was published in the Queensland Government Gazette on 26 November 2021 and a copy is attached to this report.

Dear Ms White

I refer to your request for special holidays for 2022.

Pursuant to Section 4 of the *Holidays Act 1983*, the Minister for Education and Minister for Industrial Relations has appointed:

- 20 May 2022 a holiday for the Shire of Paroo for the purpose of the Cunnamulla Show

Please note that it is only special holidays appointed in respect of an annual agricultural, horticultural or industrial show (show holidays) which are public holidays. On a public holiday, employees will be entitled to refuse to work in reasonable circumstances without loss of pay and to be paid penalty rates for work performed.

Should there be a need to request repeal of one or more of the above special holidays (whether or not appointment of a replacement special holiday is also requested) or appointment of an additional special holiday, 30 days prior notice of the requested repeal or appointment is to be given to the Minister. This will allow time for the Minister to decide the request, notify any repeals and/or appointments in the Queensland Government Gazette and for the requesting local government to give notice of holiday changes to its community.

Replacement of a show holiday with a special holiday on another date should be carefully considered as the replacement show holiday will only be a public holiday if it continues to be in respect of an annual agricultural, horticultural or industrial show.

Notification of the appointment of the 2022 special holidays was published in the Queensland Government Gazette on 26 November 2021. A copy of the gazette can be accessed on the [Queensland Government's publications website](#), the special holidays notifications commence on page 396 of the gazette.

Should you require further information, please contact Ms Jacqui McGuire, Senior Industrial Officer on telephone (07) 3406 9854.

Yours sincerely

A J (Tony) James

8.3 Correspondence – Department of Resources, 2022 Annual Evaluation

Council Meeting: 14th December 2021

Organisation: Department of Resources

Author: WJ Kearnan, Valuer-General

Purpose

The purpose of this document is to provide Council with correspondence received from WJ Kearnan, Valuer-General of the Department of Resources regarding the 2022 Annual Valuation.

Recommendation

That Council receive and note the correspondence from the Department of Resources regarding the land valuations for 2022.

Discussion

Following PSC email dated 14th October 2021, the Valuer-General has confirmed a new valuation will not be undertaken in 2022.

Attachment

Letter from WJ Kearnan, Valuer-General of the Department of Resources.

6 December 2021

Ms Cassie White
Chief Executive Officer
Paroo Shire Council
PO Box 75
CUNNAMULLA QLD 4490

Dear Ms White

RE: Annual valuation effective 30 June 2022

Thank you for your email of 14/10/2021 advising the Department of Resources that a new valuation should not be undertaken in the Paroo local government area.

The detailed market analysis I received in relation to the local government area of Paroo, supported your advice. As a result, I can confirm that a new valuation will not be undertaken in 2022.

Where new valuations are not issued, the most recent valuation will remain in effect for local government rating, state land tax and state land rental purposes until the next assessment is undertaken.

Queensland's land valuation system is an open and transparent process carried out in line with the *Land Valuation Act 2010*.

Should you wish to discuss the particulars of the market evidence further, please contact John Thomas, Area Manager, State Valuation Service of the department on telephone 074529 1383.

Alternatively, if you wish to discuss further any matters raised in this letter, please contact Suzanne Stone, on telephone 0439 539 862.

Yours sincerely

A handwritten signature in black ink, appearing to read "WJ Kearnan", with a long horizontal flourish extending to the right.

9.1 Office of the Chief Executive Officer Report

Council Meeting: 14th December 2021

Department: Office of the Chief Executive Officer

Author: Cassandra White, Chief Executive Officer

Purpose

The purpose of this report is to provide an update on activities within the Office of the Chief Executive for the month of November 2021.

Recommendation

That Council receive and note the Office of the Chief Executive Officer's Report.

Discussion

1. Economic Development

1.1 Yapunyah Lodge

- A new management organisation has been identified with positive interactions underway.
- A public consultation is set for 16 February 2022 with 2 sessions 2:00pm & 5:30pm at the CCEC. This will be advertised through radio, newspaper, social media, website and a full letterbox drop within the Paroo Shire.

1.2 Housing & Development

- Council is in discussions with a number of organisations, providers, investors and construction firms to secure funding for mixed community and private developments. It is expected these will be built on council owned land which will be used to secure partnerships.
- Other options also being looked at is the removal of dwellings that have become too expensive to maintain and new units and houses built in their place.
- There are a number of ways this can be done but we are concentrating on ones that require the least amount of financial input from council.
- Possible partnerships may also include a community provider which could also bring services into the Shire that to date have only been able to be accessed from outside the area.
- Another point of discussion is the ongoing management and maintenance of community housing; this could be removed from council freeing up funding and resources. This may include a new property management business based in Cunnamulla that would also be available to private landlords.

1.3 Paroo Shire Business Directory

ED is in the process of updating the Paroo Shire Business Directory, there will be 2 copies, one will include full contact details the other will be available as a "Paroo Shire Business Directory" printed in a booklet form as well as available on our website.

1.4 Paroo Shire Website

An expression of interest has been sent out to six website developers for the development of a new council site. The brief included modern, clean, easy to navigate, informative and comprehensive. The new site will include a dedicated events tab and a business/investment tab which will include a Paroo Shire Business Directory.

Currently our website is extremely dated and clumsy to negotiate with people reporting issues finding relevant information when needed. The format currently being used (under LGAQ) is plagued with issues and is restrictive for updates. EOI's are expected back in December. Due to the depth and amount of information contained in our website, the development and styling of a new website would take around 3 months to complete from start to going live.

- 2. state it has no objections to the Memorandum of Understanding and proceed with the endorsement, and*
- 3. receive and note the Minutes of the Darling Downs and South West Regional Waste Management Strategy and Infrastructure Plan Memorandum of Understanding Meeting, and*
- 4. agree on a financial contribution between \$2,337 and \$2,560 as estimated on the below table, accordingly to the total amount of funding required, and*
- 5. nominate a Councillor for the Project Advisory Group and a Council Officer for the Project Working Group.*

Discussion

The MoU for the Darling Downs and South West Regional Waste Management Strategy and Infrastructure Plan has been finalized and a copy is attached to this report.

The MoU includes changes to reflect a flat contribution of \$2,000 per Council with remaining contributions on a pro-rata basis. The exact total amount of funding required is unknown until the State's contribution and outcomes from the tender process are confirmed.

The below table gives some approximate upper and lower bounds to the estimated funding requirements per Council. This is based on the assumption that the total contributions from Councils will be in the range of \$100k - \$150k.

	Council contributions based on \$100k total (low estimate)	Council contributions based on \$150k total (high estimate)
Balonne	\$ 2,938	\$ 3,556
Bulloo	\$ 2,070	\$ 2,117
Goondiwindi	\$ 4,349	\$ 5,895
Maranoa	\$ 4,756	\$ 6,568
Murweh	\$ 2,917	\$ 3,519
Paroo	\$ 2,337	\$ 2,560
Quilpie	\$ 2,168	\$ 2,279
Southern Downs	\$ 9,690	\$ 14,749

RECITALS

- (a) Each of the signatory councils (**the Parties**) share the view that effective waste management is essential for the Darling Downs and South West Queensland (**DDSW**) region.
- (b) The Parties seek to collaborate alongside other stakeholders and industry on agreed objectives and action plans to optimise efficiency of waste investments and operations across DDSWQ region.
- (c) The Parties are entering into this Memorandum of Understanding (**MOU**) to set out:
 - (i) the principles in developing a collaborative approach to waste management for DDSWQ;
 - (ii) the provisions that enable the Parties to work together;

- (iii) data sharing and confidentiality arrangements between the Parties;
- (iv) funding arrangements between the Parties, and
- (v) the overall scope and goals for the collaboration.

OPERATIVE PART

This MOU:

- (a) is a non-binding statement of the Parties' mutual understanding of their proposed responsibilities to waste and resource recovery in the DDSW and surrounding region and is not intended to create any legally binding rights or obligations in respect of the Parties. The Parties' intention in signing this MOU is not to agree or finalise any terms until a formal agreement is executed.
- (b) may be signed in any number of counterparts. All counterparts together make one instrument.

1. Definitions

- (a) **Confidential Information** means all information which is provided by or on behalf of a Party (including by a Party's subsidiaries or affiliates) to the other Parties of any nature and in any form under this MoU or in connection with the Permitted Purpose, and any material or information which is derived from or contains such information, but does not include information which:
 - (i) is or becomes readily available in the public domain, other than as a result of a breach of this MoU;
 - (ii) is independently developed or already known by the Party it is disclosed to, and is not otherwise subject to an existing obligation of confidence;
 - (iii) is provided to the other Party by a third party who is not under an obligation of confidence in respect of such information.
- (b) **Data and Information** means:
 - (i) current and forecast MSW, C&I and C&D waste generation at each council facility,
 - (ii) compositional studies and information,
 - (iii) collection, transport, processing and disposal costs,
 - (iv) fixed and variable council waste operating costs,
 - (v) transport and supply chain information,
 - (vi) landfill capacity and rehabilitation information,
 - (vii) current operational contractual commitments,
 - (viii) current waste infrastructure and future waste infrastructure plans,
 - (ix) current and forecast waste capital expenditure, and
 - (x) any other information as reasonably requested by the appointed consultant,

but does not include any data which, in a Party's opinion:

- (xi) is commercially sensitive in nature and may adversely affect a Party's current or future procurement: or
 - (xii) is confidential and not able to be disclosed due to a Party's obligations under another agreement.
- (c) **DDSW Regional Waste Management Strategy and Infrastructure Plan (The Plan)** means a regional, long-term and coordinated plan that identifies options and opportunities, to support the planning for and investment in waste and resource recovery infrastructure and non-infrastructure solutions in the DDSW and surrounding region. The plan would also be used to potentially support funding and assistance from the Australian and Queensland Governments.
- (d) **Party** means each or any of the signatories to this MoU
- (e) **Permitted Purpose** has the meaning set out in clause 8(a).
- (f) **Personal Information** means:
- (i) information or an opinion, whether true or not, and whether recorded in a material form or not, about an individual whose identity is apparent, or can reasonably be ascertained, from the information or opinion; or
 - (ii) information or a document that relates to the affairs or personal particulars of another person.
- (g) **Privacy Laws** means the *Privacy Act 1988 (Cth)* and any other legislation, principles, industry codes and policies relating to the handling of Personal Information.
- (h) **Project Advisory Group** – means one (1) elected representative from each of the Parties nominated by the Parties through the DDSW CoM. This group will be convened (remotely) to consult with and generally ensure that all Councils are kept aware of the progress and direction of the Plan.
- (i) **Project Steering Group** means representatives of the identified Parties and other stakeholders responsible for managing the Plan's development requirements on behalf of the Parties, and includes the following office holders and organisations:
- (i) Manager Waste Services, Toowoomba Regional Council.
 - (ii) Manager Environmental Services, Southern Downs Regional Council.
 - (iii) Director Waste Avoidance & Recovery Policy, State Department of Environment and Science.
 - (iv) Manager State Development – Regional Economic Development South, Department of State Development, Infrastructure, Local Government and Planning.
 - (v) Lead - Public Health and Waste, Local Government Association Queensland.
 - (vi) One (1) elected representative from each of three (3) of the Parties nominated by DDSW CoM.

- (j) **Project Working Group** means representatives of the collective identified Parties responsible for representing their individual Councils and DDSW interests at Project Working Group meetings convened by the Project Steering Group, and includes one (1) officer representative nominated by each of the Parties

2. Objectives

The primary objective of this MoU is to develop a Plan, including objectives and details how the Plan's objectives will be met, including:

- (a) timing, and roles and responsibilities;
- (b) the methodology to maximise waste management solutions in DDSW and surrounding regions;
- (c) improving resource recovery and recycling rates to meet agreed targets as set by the Queensland Government;
- (d) supporting regional economic development opportunities associated with the waste industry;
- (e) reviewing and optimising transport logistics associated with waste management across the region;
- (f) considering the key infrastructure requirements to manage the region's waste;
- (g) improving environmental outcomes for the communities; and
- (h) establishing and maintaining collaborative relationships with key stakeholders and industry to drive outcomes for waste efficiency.

3. Principles

The Parties will work together in cooperation and collaboration based on the following core principles:

- (a) *Governance*: acknowledge the governance and collaboration framework agreed by the Parties;
- (b) *Confidentiality*: acknowledge the confidentiality protocols agreed by the Parties;
- (c) *Data Rules and Sharing*: acknowledge the data rules and sharing framework agreed by the Parties
- (d) *Data and evidence driven*: agree that options analysis and decision making will be data and evidence driven;
- (e) *Flexibility*: acknowledge that the waste environment will change, so, the plan must be agile and flexible in a changing environment;
- (f) *Connection with other stakeholders*: work collaboratively with relevant stakeholders including the private sector, other waste producers and governments (including both the State and Commonwealth); and
- (g) *Informative*: the Plan will consider member Councils in providing a fit for purpose flexible delivery approach with options and allow informed, detailed analysis. Decisions about what to do will still reside with individual member councils.
- (h) *Funding*: acknowledge and agree on the basis of monetary contribution for the development of the Plan by the Parties.

4. Term of this MoU

This MoU takes effect immediately upon signing and remains in effect until terminated by a Party providing written notice to the other parties or by mutual agreement between the Parties (**Term**).

Unless extended by agreement of the Parties, this MoU will expire on 30 June 2024.

5. Governance Principles

- (a) DDSW CoM Board is the governing and decision-making body for the development and finalisation of the Plan.
- (b) The Project Steering Group is the conduit and recommendation making body on behalf of the Project Working Group and Project Advisory Group and reports to the DDSW CoM Board.
- (c) Meetings of the Project Working Group and the Project Advisory Group will be convened by the chair of the Project Steering Group.
- (d) Each Party will be required to nominate one (1) representative and one (1) proxy at officer level through the Project Steering Group to represent their member council in the Project Working Group towards the development of the Plan.
- (e) Each Party will be required to nominate one (1) representative and one (1) proxy at elected representative level through the DDSW CoM to represent their member council in the Project Advisory Group towards the development of the Plan.
- (f) Experienced consultants will be commissioned to research and analyse and develop an outcome-based Plan in accordance with a scope of works approved by the DDSW CoM Board and the Parties.
- (g) The appointed consultants will consult the Project Working Group and other stakeholders and report to the Project Steering Group on progress and their recommendations regarding the Plan during its development.
- (h) Other relevant stakeholders such as nominated representatives from Queensland Government, Australian Government and the relevant waste peak bodies may also be engaged.

6. Roles and Responsibilities

- (a) DDSW CoM will:
 - (i) establish and manage identified governance arrangements;
 - (ii) seek funding for the development of the Plan in accordance with an agreed scope of works;
 - (iii) provide direction to the Parties through the Project Steering Group;
 - (iv) consider progress reports on the development of the Plan from the Project Steering Group; and

- (b) Project Steering Group will:
 - (i) develop the scope of works for the development of the Plan;
 - (ii) oversee the appointed consultant, and manage costs and the development of the Plan;
 - (iii) report to the Project Working Group on the appointed consultants deliverables and draft and final outcomes;
 - (iv) record the collective views of the Project Working Group on the appointed consultants deliverables and draft and final outcomes including the draft final Plan;
 - (v) report to the DDSW CoM Board on:
 - o an appropriate scope of works,
 - o the appointed consultants progress,
 - o funding administration, subsidy and cost management, and
 - o the Project Steering Group recommendations regarding the Plan.
- (c) Project Advisory Group will consult with and generally ensure that all Councils are kept aware of the progress and direction of the Plan.
- (d) Project Working Group will:
 - (i) work collaboratively with the appointed consultants
 - (ii) provide data and information as requested by the appointed consultants in a timely manner;
 - (iii) participate in workshops and meetings as requested by the appointed consultants and the Project Steering Group in a constructive manner; and
 - (iv) provide timely feedback to the Project Steering Group on the appointed consultants deliverables, draft and final outcomes including the draft final Plan.
- (e) Toowoomba Regional Council will:
 - (i) procure a suitably qualified and experienced consultant for the development of the Plan in accordance with an agreed scope of works; For this purpose, Toowoomba Regional Council as one of the Parties has entered into this MoU with the other Parties to appoint Toowoomba Regional Council to manage the procurement process for consultancy resources for the research, analysis and development of the Plan; and
 - (ii) provide contract and cost administration for the appointed consultancy on behalf of the Parties;
 - (iii) provide funding administration including contributions from the Parties, and subsidy funding and reporting for the development of the Plan; and
 - (iv) assume the role of chair of the Project Steering Group and Project Working Group.

7. Data Rules and Data Sharing

- (a) The Parties agree to make Data and Information available to DDSW CoM, the Project Steering Group, and the appointed consultant in a timely manner.

- (b) The Parties agree that Data and Information will be consolidated and de-identified where possible for the public version of the Plan.
- (c) Prior to the release of any public version of the Plan, a draft will be provided to, and approved by each individual Party.
- (d) The Parties agree that Data and Information at the council level will be shown in the internal version of the Plan for potential distribution to Queensland Government, Australian Government and other key stakeholders.
- (e) The Parties agree that commercially sensitive information may be included in the appendices for restricted release to the Parties and other identified stakeholders agreed by the Parties.
- (f) The Parties agree that Data and Information will not be released to the public or any third party without the approval of the Parties that provided the Data and Information.

8. Confidentiality

- (a) The Parties have agreed to provide for the objectives of this MoU certain confidential information about their respective businesses and/or processes for the purpose of developing the Plan (the **Permitted Purpose**).
- (b) Each Party agrees to:
 - (i) keep the Confidential Information of the other Party confidential and not disclose it to others except as permitted under this MoU;
 - (ii) not access, use or reproduce the Confidential Information of the other Party for any purpose other than the Permitted Purpose, nor assist or permit any other person to do so;
 - (iii) take all steps reasonably necessary to safeguard the Confidential Information of the other Party from unauthorised access, use or disclosure;
 - (iv) comply with the Privacy Laws in relation to Personal Information contained in the Confidential Information;
 - (v) notify the other Party (where legally permitted to) prior to any disclosure of the other Party's Confidential Information as required by law;
 - (vi) not (unless the other Party agrees in writing) disclose the Confidential Information of the other Party to any agents, contractors or professional advisers (Representatives) of any Party unless it is required for the Permitted Purpose;
 - (vii) each Party will be liable for any unauthorised access, use or disclosure of the Confidential Information of the other Party by its own Representatives.
- (c) Each Party acknowledges to the other that:
 - (i) no Party represents or warrants that its own Confidential Information is accurate, complete, current or fit for any particular purpose, and that each Party must make their own assessment and satisfy itself as to the accuracy and completeness of any Confidential Information provided;

- (ii) each Party may be involved in or contemplating waste management-related procurements and that the confidentiality of this MoU, and the Data and Information is critical;
 - (iii) any existing or contemplated collaborative arrangements and procurements between a number of Parties are not compromised by this MoU;
 - (iv) no Party is obliged to enter into any further agreement or discussion with the other Parties or to refrain from entering into an agreement or discussion with a third Party as a result of the entry into this MoU; and
 - (v) nothing in this MoU may be construed as granting or conferring any proprietary rights, licences or other rights in any of the Confidential Information of the other Party (other than those expressly granted).
- (d) No Party may make any public statement or announcement regarding this MoU or the Plan or otherwise publicise the relationship between the Parties or the terms of this MoU without the consent of the DDSW CoM Board.

9. Intellectual Property

- (a) Each party retains ownership of any intellectual property that it had developed or acquired prior to commencement of this MoU or independently of its activities under this MoU (**Background IP**), including all associated intellectual property rights.
- (b) Any modifications, enhancements or improvements of a Party's Background IP (Modifications) and all associated intellectual property rights will be owned by that Party, regardless of who created the Modifications, but they will be treated as Background IP for the purposes of the licence granted to the other Party under clause 9(a). Each Party assigns to the other Party any rights, title and interest the first Party may have in the Modifications so as to perfect the other Party's ownership.

10. Funding

- (a) Each Party is responsible for:
 - (i) their own costs of entering into and participating in this MOU.
 - (ii) their own share of contributions to develop the Plan proportional to the ABS data and flat fee contribution included in Appendix A.
 - (iii) payments by member councils of each member council funding obligations in advance in the financial quarter during which the expenditure is incurred or such other arrangement as is mutually agreed between the Parties.
- (b) Toowoomba Regional Council will be responsible for cost management of the project and will report to the Project Steering Group.
- (c) Where cost overruns are supported by the Project Steering Group in the first instance the additional funding will be sought from the State. Where the additional funding is not provided by the State, the Parties will be advised and obligated to

meet their calculated proportion of additional costs based on the above methodology.

- (d) Where one or more Parties withdraws from this MoU, Appendix A will be adjusted to maintain a pro-rata by population cost sharing arrangement for the remaining Parties.

11. Interregional Collaboration

- (a) It is acknowledged that there may exist communities and regions of interest that do not subscribe to current Council of Mayors boundary arrangements. For this region South Burnett Regional Council and Lockyer Valley Regional Council are recognised as having a shared interest in the DDSQ region.
- (b) This MoU provides a pathway for either or each of these councils to participate in this project.
- (c) Participation will be confirmed on signing of this MoU by each of the councils and will also obligate each signatory council to its calculated proportional funding included in Appendix A.

12. Further Provisions

- (a) Each Party acknowledges the consideration received by virtue of the other Party entering into and performing this MoU.
- (b) Each Party must comply with all applicable laws in respect to their performance of this MoU.
- (c) This MoU constitutes the entire agreement between the Parties about its subject matter and supersedes any previous understanding, agreement, representation or warranty relating to that subject matter.
- (d) This MoU may only be varied by written agreement between the Parties.
- (e) This MoU may be executed in counterparts. All counterparts when taken together are to be taken to constitute one instrument.
- (f) Clause 7 (Data Rules and Data Sharing) (Confidentiality) and 9 (Intellectual Property) will survive expiry or termination of this MoU along with any other provisions that by their nature are intended to survive.
- (g) This MoU is governed by the laws applicable in the State of Queensland and the Parties submit to the jurisdiction of the courts of that state and those courts entitled to hear appeals from them.

1.	Declare Meeting Open, Welcome Attendees and Accept Apologies	Chair
2.	<p>MoU update and changes</p> <p>Matt provided an update on the following:</p> <ul style="list-style-type: none"> • MoU changes that are being proposed and the inclusion and involvement of Council areas that are not specifically in DDSW area. • Gerard added that within the MoU South Burnett and Lockyer Valley Regional Council's will have all the same rights even though that are not a part of DDSW Council of Mayors area. • Reviewed the definitions for the three involved Groups. • There will be a call for nominations of 3 Councillors from 3 separate Council's ideally to be a part of the Project Steering Group. This group will assist in the developing scope, appointment of a consultant and make sure the Project Working Group is on track. This Group will be the DDSW Council of Mayors contact. • Ken questioned with regards to the Councillor nominations, if more than three are received, how do we make a decision? Matt advised, this is to be determined. All meeting attendees in agreeance to make sure there is a geographic spread, a mixture of different Councillors. • The Project Advisory Group will include one Councillor contact from each Council and the third group defined is the Project Working Group. This is this group and includes one Council Officer representative and a proxy. • Reviewed each Group roles and responsibilities in Section 6 of MoU. Nil notable changes to this section. • MT raised what TRC are happy to do and will chair this group and the Steering Group. All attendees in agreeance. 	

ITEM	DESCRIPTION	PRESENTER
	<ul style="list-style-type: none"> • Matt advised he has also sought legal feedback about the MoU document. It is not a binding agreement, all of with this. MoU will outline how intent to work together. Legal suggested to include a timeframe. To be determined. • Darryl requested that a revised MoU copy is sent to everyone once updated. 	
3.	<p>Funding share arrangements</p> <p>MoU Review of Appendix A – Proportional Payment Obligations:</p> <ul style="list-style-type: none"> • Matt advised that we should have response by the end of this week from the State on the latest request for funding. Ken commented that we need to make sure that the contribution amounts do not discourage smaller Council's. • Peter advised that Quilpie could can afford up to \$4000-\$5000 but won't be able to pay beyond that. • Di asked for an approximate figure for Balonne? Matt advised, approximately \$5000 and that we can update the figures in the table to be based of \$100,000.00 contribution as a proportion of remaining funding required by each Council. • Di advised that Balonne will be struggling to get a buy in, and \$3000 may more likely be the limit rather than \$4000. • John advised that Bulloo Council are keen and to base contributions on population, as previously discussed however for the figure for Bulloo, looking more towards \$2000 limit and request for consideration. All in agreeance to adjust the minimum contribution rate to \$2000. • Darryl advised once we have all relooked at the latest MoU changes and updates, all to discuss further internally. Matt advised he will update table minimum contribution rate in the table and then work remaining figures on pro rate and then resend to everyone. 	
4.	<p>Lockyer Valley Regional Council and South Burnett Regional Council involvement</p> <ul style="list-style-type: none"> • Matt advised letters were sent by the DDSW Council of Mayors Chair to include both areas and are awaiting a formal response back from South Burnett and Lockyer Valley Regional Council's. • Christine advised that it went to Council last week. • Pawan advised that there is a Council meeting today and it is requested that the Mayor of South Burnett Regional Council is given voting rights with anything given on this plan. • Formal responses to follow. 	
5.	<p>Next Council of Mayors meeting</p> <ul style="list-style-type: none"> • Next DDSW Council of Mayors is scheduled on Sunday, 26th September 2021 before next week's LGAQ Waste Forum. 	
6.	<p>Request for internal engagement</p> <p>Matt outlined the proposed next steps:</p> <ul style="list-style-type: none"> • Councils all signing off on the MoU agreement. • Once the MoU has been circulated each are to manage follow up within Council for the agreement on content, what trying to achieve, funding and essentially to make sure that when all Mayors attend the DDSW Council of Mayor Meeting all are happy and vote on it. Scheduled date 24/10/2021. • Matt has requested, that any feedback is please provided and if there are any concerns raised.

9.1.5 Cunnamulla Fella Logo Requests

Council Meeting: 14th December 2021

Department: Office of the Chief Executive Officer

Author: Cassandra White, Chief Executive Officer

Purpose

The purpose of this report is to request Council to provide a framework toward usage of the Cunnamulla Fella logo requested for use by Community members, businesses, clubs and others.

Recommendation

That Council provide a framework on the usage or approval for use of the Cunnamulla Fella logo requested by Community members, businesses, clubs and others.

Discussion

The administrative arm of Council is requesting a framework from Council on how to respond to Community members, businesses, clubs and others who wish and request to use the Cunnamulla Fella logo.

9.2.1 Infrastructure Operations Report

Council Meeting: 14th December 2021

Department: Infrastructure

Author: Ethan Crumblin, Paul Doyle, Perry Higgins, and Trevor Jones.

Purpose

The purpose of this report is to provide an update on the works underway in the Infrastructure Department and current as of 2nd December 2021.

Recommendation

That Council receive and note the Infrastructure Operations Report.

Discussion

Council is well placed to complete the majority of the Capital Expenditure by late January or early February 2022. This will free up resources to deliver the maintenance program between February and June 2022.

1. Council Maintenance Program

Shire Road, Town Maintenance and RMPC

- Due to ongoing rain Council crews have been hard at work catching up on small tasks across the Shire this includes roadside furniture upgrades and cleaning of silt filled drains
- Approximately 800 guideposts have been replaced across the shire along with 28 new regulatory fixed traffic signs
- Minor drainage works has been carried out in Wyandra and Cunnamulla along with funded drainage works in Eulo
- Council grader crews have completed heavy shoulder grading on the Bulloo Development Road through our RMPC Contract

Transport Infrastructure Development Scheme (TIDS) – Funded

- Due to large amounts of rain received in the month of October and November the final section of Eulo-Toompine TIDS has been delayed, this was on track to be finished before the end of the year but the sealing has now been rescheduled to January
- Jobs Gate Road received its final seal upgrade. These works are the additional works approved from the October Council Meeting
- Eulo-Toompine will likely require some re-work in January before the seal due to minor damage caused on the road after the rainfall

Roads to Recovery (RTR) – Funded

- Grid replacement program – Council have engaged a local contractor to deliver the works
- During November Eulo-Toompine Road and Elmina Road grids were replaced
- There are 3 grid replacements remaining, two on Blackgate Road and one on Murra Murra Road
- The grids have been ordered and pending delivery, with completion set for February

2. LRCI – Funding Round 1 and Round 2

Cunnamulla Landfill Upgrade

- Currently sitting at 50% which the works are being carried out by a local contractor
- Due to the large amount of rain, there has been some essential re-work carried out
- It is being estimated that once completed this area will allow Council to have 15 years waste capacity of general waste if managed correctly
- Majority of the earth works are scheduled to be completed prior to Christmas, weather permitting.

Eulo draining

- Wet hire machinery has been engaged and arrived on site in November
- The scope of works has been slightly changed due to rainfall on the project once commenced to provide a better outcome
- After some consultation with local residences a solution was agreed and the main issues affecting the properties fixed within the allocated budget
- This project is expected to be delivered under budget

Cunnamulla Footpath upgrade

- Council maintenance crew have been working on completing this project between the wet weather
- This project is expected to be completed before the Christmas break up
- Council has been able to complete 2 sections of footpath network which had received the largest amount of customer complaints (Francis Street and Watson Street)
- A local contractor was engaged to supply the materials for the project and council Maintenance crew delivered the work.

Yowah Airstrip upgrade

- After being washed out on Eulo-Toompine Road Council Grader Crew 2 moved to site in late October
- New material was sourced and carted into two landing strips and incorporated into the existing pavement prior to the November rain
- The second landing strip is scheduled to be resheeted as soon as conditions allow
- Works are scheduled to be completed in January.

3. Workshop

3.1 List of Works

Below is a list of works carried out in November:

- Unit 247 Hino water cart - major work completed. Two brake boosters fitted to the front axle of the trailer. A new air drier and brake valves were fitted, these were contaminated from the air drier failure. New fan clutch fitted. Oil changed, serviced and new clutch master cylinder replaced
- Unit 281 Hino - replaced clutch
- Unit 250 Paveline - LH rear brake sticking wheel removed and cam rollers replaced
- Unit 334 Posi track - serviced

- Boiler maker made and installed new stairs at the treatment plant
- Unit 313 Komatsu Grader - inter cooler hose repaired
- Unit 253 Hino water cart – clutch replaced
- Small fleet utes and mowers serviced
- Unit 271 Street Sweeper - bearings in the broom replaced
- Unit 280 - replace drivers' seat and tighten turn table anchor bolts

3.2 Workshop Updates

- The new Rubbish Truck is expected to be delivered in December pending road conditions as it is currently stuck in Inverell
- 4 Insurance claims have been lodged and approved for repairs on 4 light fleet
- Apprentice is set to be completed and signed off early December
- Workshop will be closed from 23rd December to the 4th January
- New small plant trailer has been delivered and put straight to work as shown below. This is a valuable asset as it ensures small plant is transported correctly and safely

Budget: Council allocated \$1,456,000 to fund the plant maintenance program.

4. Water Supply & Sewerage Operations

- Cunnamulla water consumption to date for November 60.0 ML
- Eulo Water consumption is 3.1 ML
- There were four mains breaks in Cunnamulla this month
- The STP appears to be running more efficiently with the development of microbes. Council staff are planning to scout of adjacent land to prepare for reuse of water in the future.
- 9.3ML passing through the new plant
- There were 4 customer requests received
- All pump stations are operating normally
 - (1). 53.6 (2). 45.2 (3).68.1 (4). 2.6. (5). 13.6.
- Sewerage Treatment Plant Operator carrying regular water quality testing

Budget: The allocated budget for sewer is \$500,000.

5. Parks and Gardens

- Council's town maintenance crews are still servicing Wyandra. This servicing has increased the costs of year-to-date expenditure and impacts on the service level delivery to Cunnamulla
- All outstanding faults in the town watering system have been identified and fixed
- The parks and gardens team are currently working with Quilpie Shire Council to develop a plan for on going maintenance at John Kerr Park.

Budget: Council allocated \$491,690 for parks and related activities excluding events.

6. Technical Officer

6.1 Water Sampling

Routine Water sampling continues to be carried out in the four towns. No positive results for E-coli have been found. Quarterly Chemical Test have been sent to the Forensic Lab in Brisbane.

6.2 Asset Plans

Inspections of town streets have been conducted in the small towns and 90% of Cunnamulla. This involves seal and pavement conditions, footpaths, kerb and guttering, stormwater pits and inlets, parks, levees and gates, parks & gardens, etc.

6.3 Drinking water quality plans and audit

Paul Doyle and Trevor Jones attended a meeting with the Water Regulators in Charleville on the 23rd November along with other South West Shires. They discussed certain aspects of the Drinking water Guidelines and reporting dates. On the 25th November the water regulators again met with staff in Cunnamulla and a tour of the Council water infrastructure was conducted for their general knowledge. Council has already submitted its year KPI regarding water and sewerage. The Annual report will be due to the regulators by the 17th of December and a four yearly Audit of the Drinking Water Plan must be carried out before the 17th January 2022.

Conclusion

A draft 2021/22 program is prepared in consultation with the staff. Copy of this program is attached. This program includes a schedule to help monitor and deliver projects on time and reduce calls.

9.2.2 Flood Works Project Management Report

Council Meeting: 14th December 2021

Department: Infrastructure

Author: Geoff Rintoul, Proterra

Purpose

The purpose of this report is to provide Council with an update on the activities undertaken in relation to the natural disaster repairs on Council's road network.

Recommendation

That Council receive and note the Flood Works Project Management Report.

Discussion

1. Executive Summary

The following is a brief of the key items/ issues of interest or relevance to Council:

- Recent weather events have created some significant delays to delivery and subsequent overall program. Whilst some packages can complete their respective scope of works within program, others will need to review and likely leave some roads until they are in a suitable condition to complete.
- The Project is progressing through the gravel and gravel pit requirements including planning and Environmental Approvals. Councils should note that there is a requirement to increase the size and capacity of most pits currently in use by the project and that this is presently underway.
- Commercial agreements for all but 2 Free Hold properties are now in place.
- 2019 REPA Works is now progressing through close out procedures and progressing through the QRA auditing processes.
- 2020 REPA claims are now being made monthly.
- All current 2020 REPA packages have now been approved by Council and Letters of Acceptance completed.
- Tenders will be called for Package M and N and Coonberry Floodway in the coming weeks.
- Staff and Contractors continue to interact with property owners regarding REPA works. Feedback to these works is still very positive.
- Jobs Gate Road quality matters with a report being forwarded to Council and awaiting a response before progressing with a response to the Contractor.
- 2021 REPA pick up has been completed, and Four (4) Submissions lodged and approved plus 1 Immediate Recovery Works application currently being reviewed. An additional submission is being reviewed prior to lodgement for Ch 108 Jobs gate Road.

2. Gravel/Materials Supply (Quarries and Gravel Pits)

- About 376,000 tonnes, or about 90% of gravel, for 2020 scope now been delivered to date. The target has been revised to about 420,000 tonnes (TBC) for 2020 REPA

scope. This change is due to materials used on site and reconciliation of treatments approved after the original scope.

- The location and size of gravel pits with an appropriate level of fines combination is still a significant focus in the delivery and as a Strategic Management focus moving forward. There has been some blending of materials required at some pits/roads—due mainly to the level of fines required for the roads. The project is working with both the Civil and Gravel Contractors in order to source the most appropriate materials available.
- Crushing and Screening
 - The key focus for gravel at the moment is the sourcing of materials for packages H and E (Mt Alfred, Glencoe Roads respectively). The focus will then move to source materials for Package B (about 5,000 tonnes at this stage) and then Package M and N.
 - The Crushing Plant will be mobilising to Humeburn Road in order to source materials for Package E - Glencoe and Burrenbilla Roads. The planned use of the Glencoe Pit has now been changed do to it not accessible due to recent wet weather. On completion and weather dependant the crushing plant will move to either Glencoban or Southplains Pits for Packages B and M/N, respectively.
 - The Screening Plant will mobilise to Mt Alfred Road to provide some fines materials for treatments in Package H.
 - By the end of December, the project expects that all materials for Packages A, B, C, D,E, F, G, H, I, J, K and L will have been completed. From there we expect to have well progressed with Package M and N materials (Bundaleer South Plains and Munda Munda Roads).
- The review of the gravel pits that will be used has been completed. In brief:
 - The project is still using of over 56 pits. These are based on location, current capacity and soil testing results. Again the major focus is suitable materials for the pavement conditions. This mainly requires fines materials, however some road (southern end of Yerrel Road) required a more course materials.
 - Most of the 56 pits do require an increase in either size or capacity and will require to progress through a regulatory approval process. This process has commended with initial discussion with both DES and DAF
 - At this stage ten (10) of the above-mentioned gravel pits will have their existing area or capacity increased to up to 100,000 tonne. Tenure of these range from road/stock route, lease hold and free hold lands.
 - The project is progressing with a number of gravel pit management plans at the moment, these include:
 1. Quarry Management Plans (QMP's) for DAF controlled gravel pits that have been used by the project. These plans are site specific management plans to meet DAF requirements and have been approved by DAF. To date 55 QMP's have been created and will be provided to Council once property owner information is obtained.
 2. Quarry Management Plans for the Environmental Approvals (up to

100,000 tonnes). These are site specific with some overlapping the DAF controlled pits however have more site specific environmental requirements.

3. Material Change of Use applications to upgrade either area or capacity of 10 pits, at this stage. MCU applications are currently being progressed for South Plains and Yalli Pits.
- ii. Royalties payments with Property Owners is progressing. This has progressed with agreement being made and executed progressively.

3. Submissions

2020 REPA Road Works have been approved by QRA to a value of \$49,892,526.72.
2021 REPA Road Works have been approved by QRA to date is \$2,179,518.77.

4. 2019 REPA Delivery

Current status for 2019 works:

- All works completed
- Close out procedures:
 - Submission 1 (36 Roads) Now completed
 - Submission 2 (15 roads) Now completed
- Financials – the final claim was lodged on Wednesday the 29th September. In brief:
 - Total expenditure was established at \$ 2,417,588.48
 - The project will now progress through the relevant QRA procedures including auditing, provision of information (Timesheets and invoices etc).
 - QRA will also establish any ineligible cost that may apply.

5. Photos

PKG E - Gumahah Road – HFG +75

PKG E - Cuttaburra Road - HFG.

PKG G - Old Charleville Road – MFG

6. 2020 REPA By Road Program

Council has requested a road-by-road program to be included in the report. This report is attached. Council should note that the program is indicative only and will be revised generally on a fortnightly basis. Dates are a general guide only and given the recent and forecasted rains will delay delivery.

7. Current status for Contractors for 2020 Works:

Key Matters to be addressed by all those delivering PSC 2020 REPA works:

- Completing the required treatments as per the QRA guidelines This is ongoing however we are not seeing any issues at the moment.
- Site signage and compliance with TGS – still being monitored. The Contractors have been forwarded a note reinforcing the need to review some practices regarding placement of gravel. Contractors have also been forwarded a revised TGS for laying out of gravel on the Shoulders.
- Staff are monitoring gravel cartage on roads and the road maintenance. This is

separate to Haul Road maintenance. Given the dry conditions, conditions of most roads and this general truck movement some roads are degrading rather quickly.

- In the process of providing the Principal with a details road by road program and additional information regarding variations.
- Identifying areas where supplementary funds may be applicable on roads – to date limited funding has been available.
- REPA Treatment Completed at time of writing report was about 56%.

8. Updates by Package

Package A, B, C and D

- Pre-starts for Packages completed
- Possession of Site letters completed

Packages F, J and K

- Pre-starts for Packages completed
- Possession of Site letters have been completed for Package F and K.

Packages E, G, H and I

- Prestart for Package E, G and H completed
- Possession of Site given for Package E, G and H

Package L Package L (Balance of Murra Murra, Fernlea)

- Loa and PO have now been completed
- Prestart meeting completed
- Possession of Site provided

Package M and N (Ex PSC works including part of Murra Murra, Munda Munda, and Bundaleer Southplains)

- Awaiting sourcing of gravel prior to progressing however will likely tender these packages with appropriate notification regarding possible changes.

Packages and Roads – current program

As of the end of this week we are now over 55% Completion of Works. This will be updated on a regular basis moving forward.

Package A – completed

- Waverly Mintaka Road completed
- Randwick Downs Road completed
- Ellangowan Road completed
- Padua Park Road completed
- Robina Downs Roads completed
- Huntley Downs Roads completed
- Yallabee Road completed
- Coonberry Plains completed
- Rocky Roads completed
- Thurulgoona Road Original PKG A Scope completed
- Variations
 - i. Thurguloona Road (HFG 50/75 sections) as approved in March 2020 – Completed

- ii. Bluegrass Road – 2 x 375 dia pipes -Completed
- iii. Heavy Shoulder Grade on Jobs Gate Road at Ch 78 (HSG) – Completed

Package B – In progress, delayed due to recent rains

- o The Contractor is back working on site and in the process finalising carting gravel from Glencoban pit on to Gamarren Roads. However, these works have been placed on hold until road conditions dry out
- o Charlotte Plains Road Completed less the floodway at Ch 19. Will return for 150 mm GRS when mobilised to site. Detour signage not yet removed, and Gravel not yet delivered to site
- o Rywanda Road completed
- o Talbarea Road completed
- o Camden Road – Gravel carted
- o Widgegoara Road – Gravel being carted
- o Gamarren Road – Nil Works carried out to date. PSC has requested that works stop at the Gamarren Station Boundary at about Ch 61.96
- o Have inspected Jobs Gate and Gamarren Roads prior to gravel cartage in order to monitor any wear and tear on the roads. Jobs gate Road has been photographed from the highway to Camden Road in preparation. The project will monitor any deterioration of the pavement and take the necessary actions.

Package C

Major works completed. Minor works on pipes and flowable fill outstanding.

- o Bendena Road completed
- o Koonawarra Road completed
- o Coongoola Charlotte Vale Road completed
- o Yarmouth Road completed
- o Linden Nebine Road – All major works completed. Minor works on floodways and pipes to be completed. This is expected to be completed in the next 2-3 weeks
- o Maryvale Road completed
- o Truganinni Road completed

Package D – Package completed

- o Moruya Narran Road completed
- o Quilberry Road completed
- o Elmina Road completed
- o Ardgour Road completed
- o Clovelly Road completed
- o Mooru Road completed

Package E – Contractor on site

- o Glentuckie Road – roads works completed 1 x 375 Dia pipe to be replaced
- o Kywong Road completed
- o Amenda Tinnenburra Road completed
- o Terraldon Road completed
- o Neverfail Road completed

- Rockwell Road completed
- Curraburra Road – works from just south of Pabra Road north.
- Gumahah Road completed
- Pabra Road - Scheduled to start end 1st week in December. Note that there are some sections that are currently waterlogged and will not be delivered at the moment until conditions change.
- Koomerang Road – scheduled to commence on site 7-9 December
- Waihoria Road – scheduled to commence on site early second week of December
- Glencoe Road - nil works carried out to date
- Weir Road - nil works carried out to date
- Burrenbilla Road - nil works carried out to date
- Contractor has the following variations for PSC including
 - i. relocation of grid – Amenda Tinnenburra Road for PSC. This I understand is on hold until a matter with boundary fences is addressed

Package F

Contractor on site, however held up due to recent rains with plant now isolated south of Warden Road. Currently reviewing options to bring in additional plant to start of other roads in the package

- Wombah Road - in progress
- Ningaling Road - in progress
- Warden Road - in progress
- Weira Park Road - 50% completed (northern end)
- Pitherty Road - nil works carried out to date
- Paddabilla Road - nil works carried out to date
- Tarko Road - nil works carried out to date
- Wittenburra Road - nil works carried out to date

Package G

Contractor on site and now looking to complete the bulk of the package prior to Christmas.

- Gumholes Road completed
- Hazlefield Road completed
- Humeburn Road
 - i. Major road works completed
 - ii. Dependent on completion of work at item f below – will return to finalise remaining scope works by PSC if required.
 - iii. Has minor works to complete relating to debris removal, bater protection, 2 coat seals etc.
- Nooralaba Road – 3 KM to the south to be completed.
- Old Charleville Road – about 80% completed Works underway working from North to South.
- PSC will be delivering sections of:
 - i. Humeburn Road treatments as part of TIDS program with relevant sections being funded from REPA.
 - ii. PSC have delivered some REPA works on Old Charleville Road

Package H – In progress

- Western Warrego completed
- Coongoola Lane completed

Package K – Completed

- Middleton Road completed
- Jobs Gate Road completed. Quality matters raised by Council has been investigated with a report being forwarded to Council and awaiting a response before progressing with a response to the Contractor
- Toulby Road completed
- Blackbank Road - will not be delivered due to request being approved by Council. These works will be removed from the scope, noting some works have already been delivered

Package PSC_1 – Demobilised

- The Project has been advised that Council will no longer be delivering REPA works effective 6 August 2021 and move onto other works
- Jobs Gate Road completed
- Package A Contractor completing some minor outstanding works.
- Looking at options to deliver some minor works (pipe replacement) on new sealed section
- Murra Murra Road – works to about Ch 21 now completed with remaining gravel materials to Ch 30 made safe. These works will be completed by Package L
- Yaralla Road completed
- Munda Munda Rd from Murra Murra/Bundaleer Southplains intersection to Yaralla completed
- See Package L and M for details of remaining works on Murra Murra Road

Coonberry Plains Road Fishway

- Following approval through SARA and based on DAF requirements the fishway was submitted to QRA for approval.
- QRA requested a review of the design based on the size of the culvert units to be used. This is still with QRA and awaiting response.
- This design has now been resubmitted to DAF through SARA. Once approved this project will go to tender for delivery. QRA are presently reviewing the design in order to confirm design and funding. It should be noted that PSC is not generally in a position to provide any additional funding and therefore the Project is establishing the scope QRA will fund before progressing. QRA RLO is following this matter up.
- Property owner has been updated on project status.
- Understand that there may be some grant funding to augment works associated with this project however not funded by REPA. This is still TBC.
- Will commence the tendering process and run the approvals process in parallel

Packages L – Contract awarded

- Murra Murra and Fernlea Roads
- LoA and PO finalised
- Prestart scheduled 23 Nov 202 and likely start carting gravel in the next week or so

Package M and N

- At this stage Bundaleer Southplains and Munda Munda Road Delivery will be finalised once we have completed all gravel sourcing for the existing packages. NOTE packages may be split up further
- Tenders will likely be advertised in December for a later LAmuary/early February start depending on gravel sourcing/ start however this is dependent on gravel availability
- Currently reviewing likely stockpile sites for any available materials from SP3 that may be available peior to the Crushing plant returning

9. Project Feedback

Staff and Contractors have spoken to a number of property owners regarding REPA works.

Feedback from all, especially property owners has been really positive. Have been explaining the role and delivery of REPA.

Have followed up with site face to face inspections and discussion with Contractors. This is to provide some feedback and identify any site issues etc.

The Contractors have been delivering some quite good work on site. Especially given the previous conditions of the road and the materials on site that they have had to work with. This has especially been the case where there has been a real lack of fines available and the existing conditions of the road surface.

10. 2021 REPA

Following on from the approval given in the June Council meeting works have progressed in the submission to QRA.

At the time of writing this report, four (4) submissions have been lodged and approved and another submission in being prepared. The value of the approved submissions approved is \$2,179,518.77.

PSC is presently reviewing the delivery methodology and unlikely to include any 2021 REPA in the delivery of the 2020 program.

11. Project Cost Status

- 2019 REPA Costs as at 28 September 2021 is \$ \$2,179,518.77 and closeout lodged.
- 2020 REPA Costs as at 12 November 2021 on lodgement of the MARS report with QRA the Value of Treatment Completed was \$19,808,698.07 This value reflects all treatments completed at time of reporting.
- As at Wednesday 28 September the PSC cost status was \$ 17,495,192.39. This reflects Councils cost as per general ledger. Council should note that this does not reflect works completed however not yet invoiced etc. as noted in the MARS report.
- Council should note that the above costs will differ and will only generally align at the final close out stages of the project.
- 2021 REPA Costs – These will be reported on as the project moves forward.
- The following is a Costs % Completed Analysis for the current packages as at end November 2021. Note: PSC costs are an estimate only.
- There will be differences in cost due to gravel being transferred to individual roads and other non-Contractor related costs.
- Contractor Cost are as at end of November 2021 (Generally) and are based on Project Contract Administrator Costs only and costs invoiced to date only. PSC cost for Council works only and value TBC.
- Variation's value and No of Variation currently applied have been included for information. Note comments where applicable.

9.3.2 Library Services Report

Council Meeting: 14th December 2021

Department: Community Support & Engagement

Author: Tammy Hickey, Library Team Leader

Purpose

The purpose of this document is to provide Council with an update on the activities relating to Library Services within the Shire for the month of November 2021.

Recommendation

That Council receive and note the Library Services Report.

Discussion

1. Corporate Plan

Activities undertaken by the Library Services Team align with Corporate Plan Priority Area:

- WC5 - Ensuring the Wellbeing of the Community
- Program 2 – BOC - Community Assets & Services

2. Happenings

2.1 Cunnamulla Library

We were honoured to host an afternoon tea on Remembrance Day for the members of the 105th Battery, 1st Regiment, Royal Australian Artillery. After School Care and Day Care children visited them, as well as other local children and the RSL President and Mr. Trevor Wighton.

Cunnamulla P-12 State School's Glamour Photos have been completed, with just the Sacred Heart successful students remaining now. Our library assistant has taken the photos for us. Once again, we are very grateful to CACH who have donated staff to assist with hair and makeup and transportation.

PSC IT provider is implementing a process that should fix our Wi-Fi issues. We are very excited about this because we have not been able to maximise the use of our robotics, iPads, tablets and laptops.

Our weekly First5Forever program has now finished for the year. On Monday 22nd November we held a little Christmas party for our attendees. Santa visited and presented a small gift to each child and we set up a Christmas photo booth that delighted both parents and library patrons. Please see a few photos attached.

2.2 Wyandra Library

Wyandra Library has not been opened since the casual library assistant relocated. Their Exchange has arrived and Cunnamulla Library will transfer those items to our library for our patrons to enjoy.

2.3 Yowah Library

Patronage has reduced relative to tourists, however the regular patrons are still attending the library. The library will be closed for the day on Wednesday 15th December. Public notices to be arranged.

9.3.4 Rural Lands & Compliance Report

Council Meeting: 14th December 2021

Department: Community Support & Engagement

Author: Colin Ickeringill, Rural Lands & Compliance Officer

Purpose

The purpose of this document is to provide Council with an update on the activities undertaken by the Rural Lands & Compliance Unit during the month of November 2021.

Recommendation

That Council receive and note the Rural Lands & Compliance Report.

Discussion

1. Corporate Plan

Activities undertaken by the Rural Lands & Compliance Officer align with Corporate Plan Priority Areas:

- Ensuring the Wellbeing of the Community - WC3 and WC5.
- Generating & Managing Growth - GMG4

Program 2 – BOC- Regulating of the Community

- *Public Order & Safety*
- *Environmental Health*
- *Stock Routes & Rural Lands*
- *Pest & Weed Control*

2. Activities

2.1 Wild Dog & Pest Control

- No wild dog scalps have been submitted to Council during November.
- The final effort for the baiting program was completed on the 01/11/2021. This was held at the Barooka bait station. This wrapped up the Shire's baiting campaign for this calendar year.
- The report for the Lower Paroo Collaborative Pest Animal Control was submitted to SQ Landscapes enabling Council to receive \$15,000 in funding for targeting feral pigs during the recent baiting campaign. SQL were happy to see that more landholders in the Lower Paroo area are now participating in the coordinated baiting campaigns.
- I have received verbal reports from landholders who participated in the October baiting campaign advising sightings of feral animals that had succumbed to poison baits that were distributed during the baiting program. Most of the reports were about the number of dead and dying feral pigs that had been discovered and a few feral cats also.

2.2 Customer Requests

- Nil

2.3 Stock Route Fences & Waters

- During the month of December, I will be assisting the operations team with the updating of Council's asset register along with the stock routes in the Paroo Shire.
- I was informed of several cattle that had strayed onto the stock route west of Cunnamulla and due to their colour were causing a significant hazard during the night for vehicular traffic. I went out to the Kahmoo lane and was able to identify the owner of

the cattle by their ear tags. After a phone call to the owner, he assured me the cattle would be removed the following day as he was away and would be home that night. An inspection the next day confirmed that the landholder had removed the cattle from the stock route.

2.4 Town Commons

- The much-anticipated Wyandra Common muster was conducted on the 20th and 21st of November. Everyone who attended the muster met at the front of the pub at 7.00am. After a quick briefing we all went out to the western side of the river and commenced the muster. The mustered cattle were yarded at approximately 3.00pm and drafted shortly after. 40 head of cattle including calves were removed from the common by their owners and transported to the saleyards on the Sunday afternoon. 8 cows and 3 calves were returned to the common after the muster. I took new agistment application forms with me and completed forms before the cattle were turned out.
- I received a report from the owner of the cattle that survived the truck rollover at Eulo to inform me that he has been able to recover 14 head of cattle and return them to the property of origin.

2.5 Processes & Policy

- Nil

2.6 Miscellaneous

- I have been assisting the Local Laws officer with the selective dog inspection around Cunnamulla.
- While attending a baiting station during the campaign, I received a report from a concerned landholder about a reserve he adjoins having been fenced into a neighbouring property. I contacted DNRME to confirm if there was any form of tenure over the area. They were able to confirm that there was no tenure over the reserve. I was able to contact the responsible person managing the property in question, he confirmed that he had indeed enclosed the reserve with an exclusion fence. Further questioning confirmed that he had not received any form of authorisation nor had he tried to get any authorisation before erecting the fence around the reserve. He was asked to at least try and get some form of tenure over the reserve in the form of a PTO. He consulted with the Department about a PTO and they have advised him to try and get a Trustee Lease from Council. A lease application for Council to contemplate, is expected in the near future.

9.3.5 Tourism Report

Council Meeting: 14th December 2021

Department: Community Support & Engagement

Author: Erin Lee, Tourism & Events Officer

Purpose

The purpose of this document is to provide Council with an update on the progress of the Tourism Program for November 2021.

Recommendation

That Council receive and note the Tourism Report.

Discussion

1. Corporate Plan

Activities undertaken by the Tourism Team align with Corporate Plan Priority Area:

- *TD1-4 – Developing and Promoting Paroo as a Tourist Destination*
- *Program 2 – BOC - Community Brand and Resilience*

2. Activities

2.1 Outback River Lights

On the 28-29 November 2021 representatives from Brisbane Festival (BF), Tourism & Events Queensland (TEQ) and Outback Queensland Tourism Association (OQTA) came into region to meet with key community focus groups of prospective local collaborators to understand the level of engagement regarding the proposed Festival. They also met with Council staff to commence the detailed event establishment and planning process of the Launch Event in 2022 as well as the Festival in 2023.

After consulting with the Focus Groups, it was determined that the community is not only open to the ideas and themes of the Festival but it is also willing to share their thoughts and assets for this Festival. BF to come back to us to determine if they want to be engaged in the event and what that engagement will look like.

It was decided that a Launch event will be held as a placeholder for the Festival and double as an avenue for PR and media to generate interest in the 2023 Festival. This Launch event will be held over one day with a focus on the community. Due to staffing constraints in the Tourism Team, Council is looking to appoint a 'Local Leader' to manage the Launch event.

2.2 Highlights

Tourism & Events Officer Erin Lee has been selected as a Young Tourism Leader as part of the Queensland Government's Department of Tourism, Innovation and Sport - **Young Tourism Leaders Program** in 2022. This program provides Erin the opportunity to share her career journey to Queensland School, TAFE and University students to promote the tourism industry as a viable lifelong career. In doing so she is an ambassador for not only the Outback Tourism industry, but specifically for the Paroo Shire as well.

The Cunnamulla Fella Visitor Centre has achieved accreditation as a Quality Tourism Accredited Business and has been recognised as a Sustainable Tourism Business. This accreditation tells our customers and the wider industry that we are committed to providing high quality tourism products, services and experiences.

3. Feedback

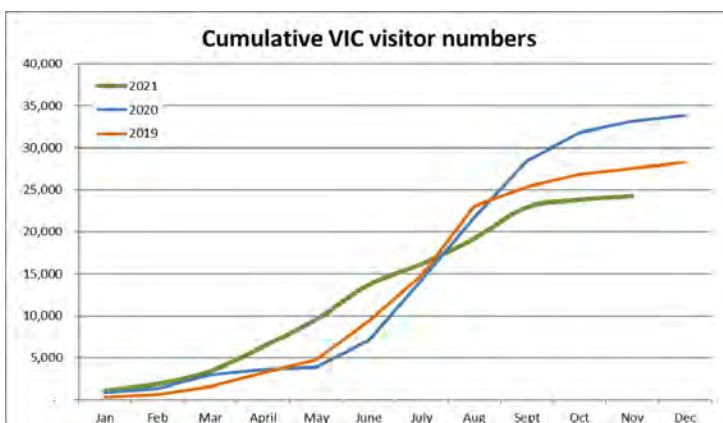

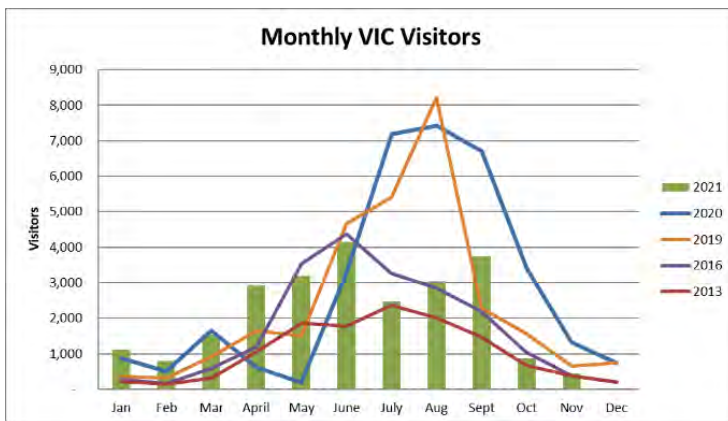

Some feedback received during the season (e.g. tripadvisor etc);

Trip Advisor – No reviews for the month of November, however the overall status of the Centre is 4.5/5 stars.

Wiki Camps – No reviews for the month of November, however the overall status of the Centre is 4/5 stars.

4. Visitor Statistics

Visitor numbers through the VIC for November 2021 were 441. This represents a 66% decline compared with 2020’s November numbers, but in line with 2018 and 2019. Given the fact that the majority of our usual customers are still unable to enter Queensland explains this decline.

9.3.6 Freeholding Application – Alpha, Lot 2 on P5353

Council Meeting: 14th December 2021

Department: Community Support and Engagement

Author: Colin Ickeringill, Rural Lands Compliance Officer

Purpose

Council has been advised by DNRME that the Department is assessing an application from Mr. Trenton and Mrs. Zephania Hindman to freehold the Grazing Homestead Perpetual Lease (GHPL 15/1550) Lot 2 on P5353 (see attached map), being part of the rural property Alpha, 963 Elmina Rd, Wyandra QLD 4489.

Recommendation

That Council:

- 1. receive and note the email dated 1st December 2021 from DNRME, and*
- 2. advise it is not aware of any non-indigenous cultural heritage values that the Department should consider when assessing this application, and*
- 3. advise it has no objections to the freeholding application for Lot 2 on P5353.*

Discussion

The due date for response to DNRME is 4th February 2022. CEO to advise DNRME of Council's decision.
